Payment terms

A deposit of \$500 is due with your registration form. The balance of tuition, food & lodging is due 60 days before the start of your event. If you enroll within 60 days of the commencement of the event, full payment is due upon registration. No allowance or reduction will be made for late arrival or early departure without the director's prior consent.

If you have to cancel your registration more than 60 days before the start of the event, the balance of any payments already made will be refunded to you, minus a \$200 processing fee. If you cancel less than 60 days before the start of the event, tuition (minus a \$200 processing fee) will be refunded only if we are able to fill your spot in the course.

Please note that there is a minimum number of registrants required for a course. In the event that a course does not have enough registrants to be held, any balance paid will be refunded in full. Please refrain from making non-refundable travel arrangements until confirmation of course participation is guaranteed.

Medical care

At least one Whitehead Light Station staff member will have Wilderness First Aid, Wilderness First Responder or EMT certification. Routine first aid provided by this or staff member is included in the tuition. In the event of more serious injury or illness, Whitehead Light Station staff will provide transportation to the mainland and then to Penobscot Bay Medical Center in Rockland, or will engage ambulance care on the mainland or emergency evacuation services if the situation warrants it. All expenses for outside medical care are the responsibility of the program participant.
